

June 10, 2008

Wabash men of the Class of 1977,

A quick reminder and plea for action!!

The College is now 20 days away from the June 30, 2008 fiscal year end for giving.

There are more than 1,080 alumni (26 from the Class of '77) who made a gift last year (06-07) who have not yet made a gift this year. If all of these 1,080 alumni made a gift by June 30, Wabash would finish the year at 42% alumni participation.

There are more than 2,170 alumni (43 from the Class of '77) who have made at least one gift in the last four years (including last year) who have not made a gift yet this year. If all of these 2,170 alumni made a gift by June 30, we would finish the year at 52% alumni participation to the College.

***Our Class is down 11 donors from last year at this time*** – our percentage is less than 31%. Let's not be the Class that keeps Wabash from making the goal.
