Dear fellow '56er and Golden Little Giant--

Jack Benson

Ralph Fenesy

"Buzz" Koch

Tom Kometani

Fred LaCosse

Al Pavlikowski

Larry Slagle

Masato Takahashi

"Skip" Thacker

And your committee

Stan Matheny

Bob Schwab

Yours truly

So you can see we are off to a flying start. Let me suggest you contact some of your fellow alums and urge them to join in the festivities.

And as to festivities let me direct you to the Wabash web site where you will find a detailed listing of activities and sign-up procedure.

One particular item is the chapel sing. While we are not listed specifically, I have asked that the class of '56 be recognized individually. We are fortunate to have Fred LaCosse (that basso profundo) in attendance who has agreed to be our leader. Rest assured that we will have the words to the second verse available.

You will also find several programs and activities listed that are very interesting.

Also, if you are like me, and cannot spring around like you used to, there will be some golf cart transportation to get around the campus.

More to come but in the meantime --- "Get Go'in". Hope to see you.
