Only Days Remain

Here is the challenge. With only days remaining the Gentlemen of '62 are lagging in accomplishing a goal.

As of this writing, we 11 members short in the annual fund drive. That is 11 fewer than gave in 2014. Looking into the rear mirror we are 23 fewer than supported Wabash in 2013. This is regression, not progress.

For each class member the reasons are different in both the support of Wabash and for non-support.

Speaking only for this garden variety retired high school teacher, I love Wabash, and all the college did for and to me, so much more today than fifty plus years ago. Thus my continued support.

Time is moving swiftly if we are to meet the expected goal.

Wabash Always Fights!
