We had a great time. If you weren't there - you were missed.
And we probably talked about you, too!

Many thanks to those of you who have shared a gift with the College this year.

If you haven't shared a gift - or even if you have...

30 loyal Wabash alumni have offered to leverage their annual gifts to Wabash totaling \$500,000 with a challenge to their fellow alumni and friends.

The Goal: Help the College raise \$1 million for the Annual Fund by June 30! Doing so will help us reach our Annual Fund goal of \$3.125 million - a new record at a time when Wabash students need it most.

Consider making a gift by June 30. We know that everyone has been socked by the current economy. Mark just wrote tuition checks for two kids; Paul, the lucky guy, has been done for years. It's tough, but dig down for a few bucks. Wabash students need our support. **The economy was in the dumper when we graduated and the alums kept things afloat for us during those challenging times, too.**
