Dear Men of the Great Class of 1976:

Sadly I write to inform you of the unexpected death of our Classmate Gregory Millis. Greg died in his sleep over the weekend at his home in Columbus, Indiana.

Greg came to Wabash from North Central High School in Indianapolis in 1972 on the accelerated Medical School program which provided for three years of pre med scholarship at Wabash and entrance to I.U. Medical School. He completed his Wabash years on schedule and went on to IU Med School in the fall of 1975. He was known to all as a bright light on Campus, a very talented athlete and a wonderful fellow. All who knew Greg were made better for the association--a truly good Wabash man.

Greg was a member of the Phi Gamma Delta fraternity at Wabash. He is survived by his wife, Barbara Millis, sons Matthew and Brian and daughter Elizabeth. Greg's parents, James and Sara Millis, survive him as well. If you would like to send Barbara a card or note her address is 9586 West Marshall Drive, Columbus, IN 47201-3804.

Services will be held in Columbus this Wednesday, October 21 .Greg's obituary is in the Columbus, Indiana newspaper this morning, October 19. Here's the link if you would like to read it

We will miss Greg.
