Dear Men of the Great Class of 1976:

A quick note to get everyone up to date on the Status of the 1976 Collett Fund gift to support the rebuilding and rehabilitation of the Wabash College Collett Tennis Center. Earlier this summer, the Class agreed to provide \$140,000 of the estimated \$250,000 project cost to renovate the interior of the Collett Indoor Tennis Courts. This work included all new lighting, all new electrical work, complete replacement of the interior insulation and significant plumbing work. Three outdoor courts were also completely resurfaced with new posts in place. The indoor playing surface was completely replaced. The Funds are to be allocated from the 1976 John P. Collett Fund at Wabash College.

On the College's website, www.wabash.edu, a complete description of the work, with pictures, is available on the Tennis Team page...on the bottom right corner is a blog called "What's the Racquet?" It is worth a web visit --also worth a Campus visit.

The College has scheduled an Opening Ceremony for November 1-just after the Football Game. The Class will be recognized for its important contributions to the project.

Please make a note on your datebooks for 11/01/2008 in the later part of the afternoon.

Thanks. Dick
