Late February 2015

Greetings,

I hope that you and your families are well.

I'm writing to communicate some information about the upcoming reunion, class giving, and some news about one of our classmates.

Big Bash – In a few weeks you should receive a printed invitation to the reunion, so hopefully this letter, plus the invitation, will prompt you to register and give to the Annual Fund. Our attendance goal is 62; so far, only four of us have registered. **The registration deadline for the Big Bash is May 27.**

Lodging – As I mentioned in my last letter, the College has reserved a meeting room for us at the Hampton Inn and Suites, so please try to reserve your lodging at this location. If you reserve a room, ask for the Wabash rate discount. Here's the discount link for the Hampton Inn: https://secure3.hilton.com/en_US/hp/reservation/book.htm?execution=e1s1. The room blocks for the reunion will remain available until **May 5**.

Schedule – The schedule for the weekend has been posted; you can find it at <http://wabash.edu/alumni/reunion/schedule>. A Chapel Sing contest and class photos will take place on Saturday afternoon.

Giving – Our goal for the reunion is 50 donors (31%). We reached this mark last year, and I think it would be great if we could raise this year's number to 75 (46%). If you've not made a gift to the College, why not do so right now? Here's the URL: <http://www.wabash.edu/giving>. Thanks go out to the following for making contributions to the Annual Fund since December: Joe Anderson, Patrick Blair, Mike Brandt, John Buehner, Dean Cantrell, Eric Elman, Scott Hollingsworth, Mario Joven, Todd Lukens, Mitch Marcus, Scott Richardson, Dirk Stahl.

News: Some of you may remember that Greg Shine spoke about his experiences working for the National Park Service during Big Bash 2005. Recently, Greg received the Washington State Historic Preservation Officer's Award for Outstanding Achievement in Media and Historic Preservation. Read more about Greg's achievements here: <http://blog.wabash.edu/alumninews/2015/01/05/shine-90-receives-outstanding-preservation-award/>. Congratulations Greg!

Regards,
Keith
