Spreading the fame of her honored name

I recently exchanged communications with **Dr. Michael Rogers**. Mike is an Associate Professor of Political Science at Arkansas Tech University. After graduating from Wabash, Mike obtained his Masters and Doctorate degrees from SUNY at Albany. Mike teaches a wide range of Political Science courses at the Russellville, Arkansas campus.

For those of you who appreciate good food, one of our own, **Thomas Lents**, is Executive Chef at Sixteen, a highly acclaimed restaurant located in the Trump International Hotel & Tower in Chicago. Tom has been the Executive Chef at Sixteen since January 2012. After graduating from Wabash, Tom obtained an advanced placement culinary art degree from the New England Culinary Institute. Prior to accepting his position at Sixteen, Tom served as a chef at various highly touted establishments throughout the world including in Chicago; Dublin, Ireland; Las Vegas; and San Francisco.

On Campus

The College is in the process of updating its online files. You may have received, or will be receiving, a communication from the College asking you to update your contact information. Wabash's alumni database is an excellent tool for keeping in touch with classmates, finding other alums, and networking. Please take a few minutes to update your biographical information so that Wabash has your most current data.

If you have not made a donation to Wabash, now is the perfect time to do it. Wabash's fiscal year ends on June 30, 2015. Any amount you can give will help support the College and its' current and future students. Give a gift online today at <https://www.wabash.edu/giving/give>.

I appreciate all of you who have contacted me over the past few months updating me on what you have been doing or just to say hello. If I have not heard from you please send me a note. I would love to hear from you.

Wabash Always Fights!
