July 2014

Dear Friends:

Thank you for making the 2013-2014 a tremendous success for the College in so many ways for current students and alumni!

- The Monon Bell stayed where it belongs!
- 5,208 alumni, parents, and friends made gifts to the Annual Fund for \$3,271,804. The FY14 Annual Fund dollar total is the second highest unrestricted dollar total in the College's history.
- 4,538 alumni made gifts to the College. This is 377 more alumni donors than FY13. This was the fourth consecutive year for the College to realize an increase in alumni donors. This is the highest number of alumni donors in a single fiscal year, breaking the record of 4,314 (FY02)
- Alumni participation was at 40.15% in FY14 versus 37.24% in FY13 and 35.06% in FY12. FY14 is the first year above 40% alumni participation since FY03.
- Celebrating our 10-year reunion, **we had the highest number of alumni donors** all the way back to the Class of 1991 (91 for 2004 and 92 for 1991) and the highest giving percentage (45.73%) of any graduating class all the way back to 1984 (46.51%). **How will you help us break 100 donors next year?**
We are Wabash.

- 174 current students in the classes of 2015-2017 made gifts to the College in FY14. This is up 75 from the similar cohort in FY13.
- At this time, the Wabash class of 2018 is 266 strong. This number may change between now and Freshman Saturday, but another impressive class of young men will join our ranks next month. Of those 266 students, 80 were referred by Wabash alumni and 52 are legacies.
