Dear Wabash Men of '44, '45, '46, '47, '48 and all V-12's:

First of all, I hope everyone received the official Big Bash mailer. If you have any questions about the Big Bash call the Alumni Office at (765) 361-6369.

“Life is like a roll of toilet paper the closer to the end –the faster it goes.”

Many of us visit our old home town, resting place of our loved ones, attend family re-unions, etc. Why not re-visit Wabash and renew memories of our youth? At 80+ some important life-forming friendships, fraternity and yes, we even remember our classes and idiosyncrasies of profs like the smoke coming out of Butch Shearer's nose, Gronert's greasy wide ties, Carscallen's "Hand that shook the hand of John L. Sullivan, etc.”

June 2008 marks our “60ish” time at Wabash. Many of us graduated, others were V-12's, some attended other colleges after military service.

BUT WE ARE ALL WABASH MEN !!!!

The College is rolling out the red carpet for us June 6, 7 & 8th with a Big Bash. As you receive information from the College, plan to come and renew forgotten friends, make new friends, marvel at the beautiful campus, say a prayer in the Chapel – and enjoy a beautiful weekend in Midwest Indiana.

We are all “Some Little Giants”

Cordially,

Dutch
