March 2009

Hello Class of 75,

Our 35<sup>th</sup> reunion is scheduled for the weekend of June 4-6, 2010. As you may, or may not, know, Joe Hockberger, Kymn Harp, and I became the class agents about 2 years ago. Joe Hockberger has agreed to be the reunion chairman. The purpose of this letter is to ask you all to mark the dates next June, and to ask for your help.

The secret to a great reunion turnout, we've learned, is simply person to person communication - NOT email, but a phone call or personal visit. To make that work, we need a representative from each housing unit to personally contact their pledge brothers and GDI friends. So far we have a couple of volunteers. **Judd Cromer** has agreed to get in touch with the Fijis. **Jim Hiatt** has agreed to do the same with the Phi Deltis and the independents. **Rick Shonkwiler** has agreed to help out where he can. This won't take a lot of time, maybe an hour or two a month, at most. I will coordinate with the College to get you a list of class members and their most recent contact information.

I think we can also take this one step further. Think about the impact if each of you picks up the phone and calls a couple of classmates you have remained in contact with over the years. We've spread out all over the country, but most of us probably have a couple of guys that we've remained in touch with over the years. Get in touch with them and tell them about our upcoming reunion. Better yet, make sure their email and phone contact information are up to date with the college.

If everybody does what they can to help, we'll have a great turnout and nobody will be overwhelmed with work. Our goals are simple = great turnout of alumni, reconnect with some old friends that I haven't seen in a long time, and have a great party. Please let us know if you're willing to help or at least to let us know if you plan to attend.

At a later date, I'll send out a list of guys that are missing in action, that were last seen in 1975. Maybe some of you know what these guys are up to.
