Fellow Classmates:

Just wanted to update you on recent accomplishments of our '82 classmates.

Dennis Cantrell, an attorney at firm, Bingham McHale in Indianapolis has been named a "Super Lawyer". "Indiana Super Lawyers" is a joint project of *Law & Politics Magazine* and the *Indianapolis Monthly*. The Super Lawyer designation is limited to no greater than 5% of the Bar who represent the very elite according to peers. Dennis has extensive experience in all aspects of litigation including: products liability; professional liability; asbestos litigation defense, construction defect litigation, mold litigation, bad faith litigation, environmental and other insurance coverage. Dennis received his J.D. from Indiana University.

The Western Golf Association announced Keith E. Rockey, M.D., Marion, to the 2007 WGA Board of Directors in Indiana. A national organization of golf clubs, the WGA conducts three national tournaments each year and provides full-tuition college scholarships to caddies through its nationally acclaimed Evans Scholars Program. Dr. Rockey is President of Progressive Medical Imaging, LLC, in Marion. He is a member of the Board of Directors at Meshingomesia Country Club in Marion, and served as president of the club's Men's Golf Association in 2005-2006. Keith received his M.D. degree from the University of Illinois. You might want to keep Keith's name in mind when you're looking to fill in your 4<sup>th</sup> spot for a scramble.

Congratulations to both of these men on their accomplishments.

Don't forget, the reunion is less than three months away.

Ned
