For policies that provide benefits for expenses incurred for an accidental injury only

**IMPORTANT NOTICE TO PERSONS ON MEDICARE:
THIS IS NOT MEDICARE SUPPLEMENT INSURANCE.**

Some health care services paid for by Medicare may also trigger the payment of benefits from this policy.

This insurance provides limited benefits, if you meet the policy conditions, for hospital or medical expenses that result from accidental injury. It does not pay your Medicare deductibles or coinsurance and is not a substitute for Medicare Supplement insurance.

Medicare generally pays for most or all of these expenses.

Medicare pays extensive benefits for medically necessary services regardless of the reason you need them. These include:

- * hospitalization
- * physician services
- * other approved items and services

This policy must pay benefits without regard to other health benefit coverage to which you may be entitled under Medicare or other insurance.

Before You Buy This Insurance:

- * Check the coverage in **all** health insurance policies you already have.
- * For more information about Medicare and Medicare Supplement insurance, review the *Guide to Health Insurance for People with Medicare*, available from the insurance company.
- * For help in understanding your health insurance, contact your state insurance department or state senior insurance counseling program.
