## Endowed Chairs and Professorships

**The Eugene N. and Marian C. Beesley Chair** is held by a distinguished member of the faculty whose teaching and counsel contribute to the preparation of young men for positions of leadership in the world of business. The Beesley Professor is to be a member of the faculty whose commitment to teaching, interest in students, and enthusiasm for learning may be expected to contribute significantly to the character and quality of the Wabash College community. Mr. Beesley was Wabash Class of 1929, retired president of Eli Lilly and Company, and served as a trustee of Wabash College from 1959-1976.

**The John P. Collett Chair in Rhetoric** appointment may be made in the departments of Rhetoric, English, or Philosophy to any professor whose special interest and competence are directed to the concern for effective expression and for standards of ethical persuasion. It is appointed for a five-year term and may be renewed at the discretion of the Dean of the College.

**Lawrence E. DeVore Associate Professor of Economics.** The DeVore Chair was established in 1972 through a bequest from Mabel K. DeVore, widow of Lawrence (Class of 1911), in which she and her husband hoped would serve to “build up and maintain a strong department which they had always considered an important part of the college curriculum.” The appointment is concurrent with the department chair’s appointment.

**Owen Duston Visiting Assistant Professor** supports a visiting professor in various disciplines. It was established in memory of Dr. C. Owen Duston, professor of English 1954-70.

**The Daniel F. Evans Associate Professor in the Social Sciences** was established by the Board of Trustees to honor Mr. Evans, Class of 1943, for his distinguished service to the College and his commitment to excellence in teaching and learning. He was treasurer 1975-88, vice president and investment officer 1988-992, and acting president 1992-1993. It recognizes individuals “whose teaching and scholarship are admirable and effective, and whose intellectual leadership promises to affect the quality of instruction in his or her disciplines and across the College.” The appointment is for three years.

**Edgar H. Evans Professor of Bible and Christian Religion** was established in 1946. It supports instruction in Bible and Christian religion. Mr. Evans was Wabash Class of 1892.

**Jane and Frederic M. Hadley Chair in History** is part of the endowed Hadley Fund. The chair is occupied by the history department chair; income from its endowment supports the chair's salary and other departmental expenses. Mr. Hadley was Honorary Alumnus 1928, retired from Eli Lilly, and served Wabash as vice president for development and director of the Wabash Institute for Personal Development.

**Lloyd B. Howell Professor of Chemistry** was established and funded through the generosity of former students and friends of “Doc” Howell, particularly Thomas W. Mastin (Class of 1938). Doc was long-time professor of chemistry and chair of the department at Wabash from 1912-13 and 1924-59. The appointment, which is for five years and may be renewed, helps defray salary, teaching, and research activities.

**The Charles D. and Elizabeth S. LaFollette Distinguished Professor of Humanities Chair** was established by Mr. LaFollette (Class of 1920). It was his desire “to perpetuate a lifelong interest in excellence of teaching and to affirm the importance of the disciplines traditionally known as the humanities.” The Distinguished Professor of Humanities Chair shall be held by individuals who over a period of years have exemplified distinguished teaching of undergraduates in any one of the fields of philosophy, literature, religion, or history.

**Milligan Professor of English** is awarded to a professor of English.

**Sabin Foundation Chair of Presidency** has endowed the position of President at Wabash College since 1889.

**Norman E. Treves Professor of Biology** was established in 1964 from a bequest from the estate of Norman E. Treves, a native of Crawfordsville, Wabash Class of 1915, recipient of the M.D. degree from the Johns Hopkins University. From 1941 until his death in 1964, he taught future physicians at the Cornell University Medical School and the Sloan-Kettering Institute for Cancer Research. The Treves Professorship appointment is for an initial term of five years. It recognizes commitment to undergraduate science education and biology broadly construed, continuing research with Wabash students, and believes in the importance of science in a liberal art education.

**Byron K. Trippet Assistant Professorships** are awarded to beginning faculty for a two-year period, offering a competitive salary and stipend to begin a research program on campus for their first two summers. It allows them to develop a research program to compete effectively for research awards. They are awarded on a two-year basis, which allows the College to rotate the awards to continually attract outstanding faculty at the beginning level. Byron K. Trippet, President of Wabash College from 1955-196, is remembered by most alumni as the “ideal Wabash man.”
