

QUICK FACTS

Founded

1832

Type

Private, independent, four-year liberal arts college for men, granting Bachelor of Arts degree.

Location

Crawfordsville, Indiana, a community of 15,000, is the county seat of Montgomery County, population 35,000. Crawfordsville is located 45 miles northwest of Indianapolis and 150 miles southeast of Chicago.

Endowment

As of April 30, 2008, the value of Wabash's endowment was \$365 million, with a per-student endowment of over \$400,000. Wabash ranks near the top of all private colleges in the country.

Financial Aid

Approximately 90 percent of students receive some form of student aid.

Tuition and Fees

For the 2008-2009 academic year, tuition is \$27,500. Room fees in College-owned housing is \$3,300 per year. Board plans vary by the number of meals per week. The 19-meal plan is \$4,600 per year and the 15-meal plan is \$4,100 per year. A mandatory student activities fee is \$450.

Campus

The 60-acre wooded campus contains 39 buildings predominantly of Georgian architecture. Caleb Mills taught the first class of Wabash students on December 3, 1833 in Forest Hall, located since 1965 at the north end of campus and now home to the Teacher Education Department. Built in 1836, Caleb Mills' House hosts various college functions. Center Hall, home to the departments of English, Philosophy, and Religion, as well as administrative offices was built over 150 years ago and is the oldest continuously used classroom building on campus. Thirteen campus buildings have either been renovated or are new in the last 10 years, including the 170,000-square-foot Allen Athletics and Recreation Center, 81,000-square-foot Hays Hall (biology and chemistry), and Trippet Hall, home of the Center of Inquiry in the Liberal Arts at Wabash College.

Students

Wabash's 917 male students come from 32 states and about two-dozen foreign countries. Seventy-four percent are from Indiana. Test scores range from the middle 50 percent of entering freshmen: SAT critical reading 520-630, SAT writing 500-610, and SAT math 540-660. Each year, approximately 250 freshmen and a few transfer students enroll.

Faculty

More than 98 percent of the 86 full-time faculty members at Wabash hold a Ph.D. or equivalent terminal degree. Wabash's special strength lies with a faculty dedicated to teaching undergraduate students.

Student/Faculty ratio

Wabash maintains a student/faculty ratio of 10/1.

Majors

Wabash offers 21 majors in the following areas: Art, Biology, Chemistry, Classics, Economics, English, French, German, Greek, History, Latin, Mathematics, Music, Philosophy, Physics, Political Science, Psychology, Religion, Spanish, Speech, and Theater. Students may choose a double major, a 3-2 engineering program with Columbia University or Washington University (St. Louis), or a 3-3 program in law with Columbia University. Students interested in secondary education may participate in the Ninth Semester Teacher Education Program. These academic programs are augmented with on and off-campus internships; collaborative research with faculty; off-campus externships; and Wabash's Summer Business Immersion Program.

Library Collections and Services

Lilly Library, built in 1959, was renovated and expanded in 1992. The holdings include more than 450,258 books, serial backfiles, government-documents, and micro texts and a media collection of over 12,000 recordings, CDs, videos and other media.

Both in the library and on the campus network, students, faculty and staff have access to a combined online catalog of the 2.8 million volumes in the libraries of Wabash and the 26 other private colleges, universities, and seminaries of the Private Academic Library Network of Indiana (PALNI). Additional off-campus resources available electronically from the Library homepage (www.wabash.edu/library) encompass a wide range of specialized subject indexes and abstracts, full-text journal and information databases, and the OCLC international database of 50 million volumes in over 42,000 libraries around the world.

The Media Center staff is dedicated to supporting teaching and learning at Wabash College by assisting with the instructional design and educational technology needs of the faculty, staff, and students. The Media Center provides the Wabash community with a variety of multimedia equipment for preparing projects and presentations for the web and other digital formats. The Media Center provides production assistance, training classes, short-term equipment checkout and technical support for multimedia projects. We have industry-standard equipment, software and the technical knowledge required to assist you with current delivery methods such as paper-based materials, web pages, DVD and CD technologies.

The Robert T. Ramsay, Jr. Archival Center, located on the library's lower level, contains the records of the College, including catalogs and yearbooks, student publications, fraternity files, and other related materials that document Wabash's history, along with several special collections. Archivist Beth Swift has migrated some of the oldest, most significant photographs to the web as part of a PALNI online database.

Computers

More than 380 systems are dedicated for students. Two public labs with Dell Pentium 4 computers are open 15 hours a day, and a third public lab with a mixture of Dell Pentium 4 and Apple Macintosh G4 computers is open 24 hours a day. Departmental computer labs include a language lab; two calculus labs; a molecular modeling lab; five mobile wireless computing labs for chemistry, biology, and physics; art and music labs; and a social sciences lab. The chemistry department has a 100-node parallel computer. A gigabit ethernet network links all campus systems, and multiple T1 lines provide Internet access. Wireless networking access is available in the library, science buildings, and public areas of many academic buildings. Software includes Microsoft Office, Adobe Creative Suite 2, Mathematica, JMP, and Dreamweaver. Students have network file storage and email accounts that can be accessed anywhere, anytime through the Internet.

All College-owned dormitories and fraternities are served by a high-speed wireless network. Through these connections, students have access to the resources of the Internet and on-campus servers.

Telephones and Voice Mail

A student may request his own phone number and voice-mailbox that he may hold through his four years at the College, no matter where he lives on campus.

Housing

Students may live in one of four residence halls, College Hall, Martindale Hall, Wolcott Hall, and Morris Hall; in one of 10 national fraternities, Beta Theta Pi, Delta Tau Delta, Kappa Sigma, Lambda Chi Alpha, Phi Delta Theta, Phi Gamma Delta, Phi Kappa Psi, Sigma Chi, Tau Kappa Epsilon, and Theta Delta Chi; or in College-owned houses around the perimeter of campus. Every college-owned study room has a phone and a video connection. The entire campus is served with a wireless Internet network.

Sports

Wabash competes at the NCAA Division III level in 11 varsity sports—football, cross country, soccer, golf, basketball, indoor track and field, outdoor track and field, wrestling, tennis, swimming, and baseball—as a member of the North Coast Athletic Conference. In addition, students may participate in 23 intramural sports and four club sports. More than three-quarters of Wabash students participate in at least one intramural sport.

Extracurricular activities

Wabash students take part in over 60 Student Senate-recognized clubs and organizations, such as student government; departmental clubs; political clubs; speech, music, and theater groups; various literary publications, a weekly newspaper, and yearbook; student-run radio; special interest groups; and religious groups.

Automobiles

There are no restrictions regarding student automobiles.

Graduates

Approximately 75 percent of Wabash students enter graduate or professional school within five years of graduating from Wabash. Last year approximately 50 percent of Wabash's graduating class enrolled in graduate or professional programs. Fully 70 percent of Wabash graduates complete one or more internships, on and off-campus. Seniors in the Class of 2008 took positions with, among others, Capital One, Cancer Treatment Centers of America, Eli Lilly & Company, Proliance Energy, Teach for America, and the Peace Corps, among many others.

ADMISSIONS INFORMATION

Wabash College, a college for men, welcomes applications from all qualified high school seniors and college transfers. Wabash will also consider exceptional, academically prepared high school juniors for early admission to the College, provided they have the support of their family and school and will have completed the required courses listed below before the end of their junior year.

Wabash's small student body encourages extensive class participation; close student/faculty relationships; and spirited, positive competition. All new students are encouraged to enroll at Wabash for the fall semester in order to integrate fully into the academic atmosphere.

For application materials, contact the Wabash College Admissions Office:

1. Call: (800) 345-5385 or (765) 361-6225
Office hours (Eastern Daylight Time):
8:00 a.m. - 4:30 p.m. Monday through Friday all year
2. E-Mail: admissions@wabash.edu
3. Website: www.wabash.edu/admissions
4. Fax: (765) 361-6437
5. Write:
Wabash College
Admissions Office
P.O. Box 352
Crawfordsville, IN 47933-0352

Secondary School Preparation

Each applicant will be expected to have earned a secondary school diploma from a school approved by a state or regional accrediting agency or to have successfully completed the GED (General Educational Development) exam before enrolling at the College. Listed below are the minimum recommended high school courses, which should be completed:

4 years of English

3-4 years of mathematics (including advanced algebra).

Those majoring in mathematics, science, or economics in college should complete four years of high school mathematics (not including calculus).

2 years of laboratory science (biology, chemistry, or physics)

2 years of one foreign language

2 years of social studies

Admission may be possible without all of the recommended courses; however, the applicant may be less competitive for admission and merit-based scholarships without these prerequisites. A satisfactory class rank, SAT/ACT scores, and counselor recommendation are also expected.

Application Procedures

Requirements:

1. Obtain a Wabash College Application for Admission from the Admissions Office or apply through our website: www.wabash.edu/admissions/apply.

2. Complete the Wabash College Application for Admission and enclose a check for \$40.00 (made payable to Wabash College) or a College Board fee waiver request form. Send them to the Wabash College Admissions Office.

A Common Application is acceptable in place of Wabash's application form, and it will be given equal consideration. You may obtain a copy of the Common Application from their website: www.commonapp.org or from your high school counselor.

3. Give the High School Report to your high school counselor and ask him/her to return it to the Admissions Office with a written recommendation and an official high school transcript containing all courses, grades, and class rank through at least the sixth semester. In some instances, a transcript containing seventh semester grades may be required before an admission decision can be made.

4. Register to take either the SAT or the ACT before the end of November of your senior year and have the results sent directly to Wabash. Wabash's SAT code number is 1895. Our ACT code number is 1260. High school guidance offices should have the registration materials. For students who have already taken one or more of these tests, Wabash will accept the scores if they appear on their official school transcript. SAT II subject tests are not required. The optional ACT writing test is not required but is recommended.

Recommended:

Schedule an official campus visit. You and your parents are encouraged to see what Wabash is really like. Your campus visit may be during a scheduled group visitation program, or it can be an individually scheduled visit which allows you to attend classes, speak with a professor or coach of your choice, take a student-guided campus tour, complete an admissions interview, and stay overnight with Wabash students—all at no cost to you. This is the best way to get a “feel” for our campus and to have your questions answered about all aspects of the College. We recommend that you schedule your visit for a weekday, September through April, when classes are in session so that you can participate fully in your choice of activities. You may also schedule a shortened version of the campus visit during the summer months. Please note that some of our scholarship competitions require that you make an official campus visit. Call 800-345-5385 or register online: www.wabash.edu/admissions/visit and all arrangements will be made.

Deadlines:

Priority consideration for merit-based scholarships is given to those who have submitted all completed forms by December 15. It is highly recommended that all applications be completed by February 1. Scholarship and financial aid materials are available through the Admissions Office.

Application Calendar

Option	Deadline	Decision Mailed	Deposit Due
Early Decision	November 15	December 15	January 15
Early Action	December 15	January 31	May 1
Regular Application	February 1	February 28	May 1
Final Application	March 15	Two weeks after file is complete	May 1

Early Decision candidates may be offered admission, denied admission, or deferred to the Regular Application process. Final Application candidates will be considered on a space available basis.

Admissions Office Procedures

Although we have listed our requirements and recommendations, we guarantee that each applicant's completed application will be read and reviewed on an individual basis. The following items in the application file are listed in their order of importance when being reviewed by the Admissions Committee: course selection, grades, class rank, SAT/ACT scores, recommendations, written essay, and extracurricular and community activities.

A student will not be offered admission to Wabash unless it can be reasonably predicted that he can succeed at Wabash and that Wabash, in turn, can meet the student's particular needs. We feel obligated to ensure, as much as it is possible, that our students have a successful and fulfilling education at Wabash.

Readmission

Any student who previously attended Wabash College and did not enroll the following semester must contact the Dean of Students in writing to request re-admittance. For further information, call (765) 361-6480.

Part-Time/Non-Degree Students

Anyone wishing to take a class without being enrolled as a full-time student must contact the Registrar. For further information, call (765) 361-6245.

Transfer Students

Students in good standing at another college are welcome to apply for transfer to Wabash and, in general, should follow the same procedures for admission already listed with these additions:

1. Have your final secondary school transcript sent to the Wabash Admissions Office. The transcript must include eighth semester grades and a final class rank, if available.
2. Have official transcripts of all college courses attempted sent directly to Wabash from the Registrar of each college previously attended. Courses considered for transfer credit must be of a liberal arts nature.

Only classes from an accredited college and with a grade of C or higher will be considered for transfer credit.

3. Have a letter of recommendation sent to Wabash by a college official, preferably your college advisor.
4. Complete the top part of the Dean of Students' Recommendation Form, then give it to the Dean of the college or university from which you are transferring. The Dean is to complete the form and return it directly to the Wabash College Admissions Office.
5. Include in your application for admission a written statement explaining why you wish to transfer to Wabash.
6. A personal interview is strongly recommended.

Advanced Placement/Transfer Credits

Credit may be granted based on test results of the College Entrance Examination Board Advanced Placement Tests, College-Level Examination Program (CLEP), International Baccalaureate, and Wabash College placement exams given on campus during Orientation.

Wabash College will accept for transfer college courses taken by a high school student only when the student is enrolled in a section of a college course that includes students from the general college population.

All college transcripts will be evaluated by the Registrar. Students will be notified in writing regarding the number of credits that will transfer to Wabash, their class standing at Wabash, and what required courses, if any, they must take while at Wabash.

International Students

Wabash believes it is extremely important for a liberal arts institution to offer its opportunities to students of all beliefs, nationalities, and creeds. We encourage applications from students of other countries and provide support systems to assist their integration into our community while maintaining the individuality, which we expect all of our students to exhibit.

Any student who needs a student visa to remain in the United States is considered an international student.

It is very important for international students to enroll at Wabash in August, not in January, in order to ease their transition into the American college system and lifestyle. As the application process will take an international student several months to complete, he should start investigating colleges/universities one year ahead of his intended enrollment date.

To request international student application forms and information, contact:

Coordinator of International Student Admissions
Wabash College
P.O. Box 352

Crawfordsville, IN 47933-0352, USA
Phone: (800) 345-5385 (if in the USA) or (765) 361-6225
E-Mail: admissions@wabash.edu
Fax: (765) 361-6437
www.wabash.edu/admissions/apply

International Application Requirements

Deadlines for receipt of documents are outlined in materials sent from the Admissions Office. **ALL OFFICIAL DOCUMENTATION MUST BE IN ORIGINAL FORM OR ATTESTED COPIES OF THE ORIGINAL.** It is not necessary to include copies of academic awards or extracurricular accomplishments. As all documents received become part of the student's permanent file, do not send anything that needs to be returned.

1. A completed application with signature.
2. An official copy of academic transcripts from the last four years of education and the Secondary School Report.
3. An essay showcasing your ability to write well.
4. Standardized test scores (TOEFL or SAT/ACT)
5. Two letters of recommendation
6. The International Finances Form with corresponding documentation. Corresponding documentation must be original or attested copies and could consist of a bank account statement for designated funds, tax forms, indicating the value of designated property, or employer letters and pay stubs verifying employment. If a bank statement is used to verify funds, a letter is also required from the account holder stating that the designated funds have been set aside for the student's educational expense.
7. The Financial Aid application attached to the International Finances Form with corresponding documentation. See above for the description of corresponding documentation.

International Admission

Wabash offers admission only to international students who have proven that they will be able to meet their financial obligations. Each year, a limited number of merit-based and need-based awards are available. Applicants for financial assistance must have a complete file on record by February 1 and present outstanding academic records, high standardized test scores, and strong letters of recommendation.

All international students are eligible to compete for Wabash College merit-based scholarships. Since the number of scholarships is limited and our applicant pool is large and talented, only a few of the qualified applicants will be offered an award. These awards are won through competition and are renewable for four years provided the student maintains standard academic progress.

Need-based awards are also available; however, NO AWARD PACKAGE WILL COVER ALL EXPENSES. Students are expected to provide complete financial information, so Wabash can best assess their financial needs. A typical financial aid package may consist of a combination of an offer of campus employment, loans, and a very limited number of grants in addition to any merit-based scholarships that may be awarded. International students must be aware that an aid award will not cover travel expenses, summer maintenance, and personal expenses.

Once a student has been offered admission, he must submit the required deposit by the stated deadline or his offer of admission will be rescinded.

Enrollment Deposit

Students offered admission must submit their non-refundable deposit by the date specified in the letter of admission. This deposit will be credited against the first semester bill for tuition and fees.

Housing

The College housing choices for freshmen are four residence halls and ten national fraternities. Students are required to live in College housing during their freshman and sophomore years.

Students receive housing information after they have submitted their deposit indicating their intention to enroll. Questions about housing should be directed to the Office of the Dean of Students. Call (765) 361-6289.

FINANCIAL ASSISTANCE

Need-Based Awards

All first-time students who wish to apply for financial assistance based on family need must submit 1) the Free Application for Federal Student Aid (FAFSA) to the Department of Education and 2) the CSS/PROFILE Application to the College Scholarship Service. The FAFSA is required to apply for federal grants, Federal Stafford Loans, PLUS loans, and the Frank O'Bannon Grant Program Awards for Indiana residents. The FAFSA is available beginning January 1 on the web at www.fafsa.ed.gov and should be completed by the student and his parents by February 15. The CSS/PROFILE registration and application are available at www.collegeboard.com. **You must designate that you want the results of the FAFSA analysis to be released to Wabash College by filling in our code number, 001844, and the CSS/PROFILE results by filling in our code number, 1895.** Upon receipt of these results, the Wabash Financial Aid Office will take all factors into consideration and by early April will inform the admitted student of the amount of financial aid and scholarships Wabash can offer him.

International students must submit the Foreign Student Financial Aid Form and supporting documentation by February 1. They are not eligible for federal grants, Federal Stafford Loans or state awards mentioned above.

Renewal of Need-Based Awards

All need-based financial assistance is awarded on an annual basis. **Students must file a new FAFSA and CSS/PROFILE by February 15 each year they are in attendance at Wabash.** In addition to these forms, students and parents must submit any other forms required by the Wabash Financial Aid Office. Need-based financial aid awards will be recalculated each year based upon updated information on the family's financial situation. Students who do not meet the guidelines for satisfactory academic progress will not be eligible for federal, state, or institutional need-based assistance.

Merit-Based Awards

Wabash offers numerous merit-based awards. These awards include Top Ten/Twenty Scholarships, Fine Arts Scholarships, Honor Scholarships, Lilly Awards, National Merit Scholarships, and President's Scholarships. These scholarships vary from \$1,000 to full tuition plus room and board and are renewable all four years at Wabash College. Scholarships are renewable annually provided that student attains the cumulative grade point average and the number of course credits required at the end of each academic year in order to make normal progress toward graduation.

All questions regarding financial assistance should be directed to the Financial Aid Office. Call (800) 718-9746 or (765) 361-6370.

Expenses

The costs of attending Wabash during the 2008-2009 school year are as follows:

Tuition	27,500
Activities Fee	450
Health Center Fee	200

Room & Board 7,400 (based on the 15 meal plan)

If an upper-class student lives in a fraternity, his room and board costs will vary slightly because they are determined by the fraternity, though they will be billed by the Business Office.

Special Note: Room and Board costs and need-based financial aid to underwrite these costs will be adjusted in accordance with the following living arrangements:

Living off campus (commercial housing)—budget and aid reduced \$1,000.

Living off campus (with parents or relatives)—budget and aid reduced \$2,000

Living off campus, but taking the full meal plan with the college food service—no reduction

Married students (with or without dependents) living off campus and contributing (earning) more than half of their living expenses—no reduction.

Adjustments of room and board costs and financial aid will be by year or semester only (no pro-rata adjustments possible). The student who intends to live in off-campus housing (other than fraternity or dormitory) must notify the Dean's office prior to doing so.

In addition to the charges listed above, it is recommended that each student budget an additional \$2,200 per year to cover the following expenses:

Books and Supplies	\$900
Personal Expenses	\$1,300

The estimated “comprehensive” cost to attend Wabash during the 2008-2009 school year is, therefore, \$37,750. You should plan on some increase in charges each year.

In 2008-2009, each semester's bill will include:

Tuition	\$13,750
Activities Fee	\$225

(The Activities Fee covers admission to all home athletic contests, subscriptions to all student publications, and admission to all College drama productions and concerts—except certain SSAC-designated “National Acts.”)

Dormitory Room & Board	\$3,700
------------------------	---------

(Board charges cover 15 meals per week.) All entering students will be billed this amount. If student wishes to increase his meal plan to 19/week, an additional \$250 per semester will be billed to his account. Returning students living in fraternities will be billed by the College an amount which is set by their fraternity—not by the College.

Health Center Fee	\$100
-------------------	-------

(The Health Center Fee covers expanded services provided by the Health Center, the Counseling Center and the Wellness Center)

Billing Information

New students will receive a credit on their first semester bill for the enrollment deposit. Credit for grant and scholarship assistance will be reflected on a student's bill in equal amounts for the fall and spring semesters. Loan assistance must be applied for and students will receive equal credit each semester for the net proceeds of parent and/or student loans. Students will receive a bi-weekly paycheck as they work the Employment Self-Help (ESH) component of their financial aid award. The Student Payroll Schedule is located on our website at <http://askwally.wabash.edu>. Students have the option to have a portion of their ESH earnings withheld from their paycheck. Students who plan to take advantage of their ESH eligibility should complete an ESH Response Form located on our website at <http://www.wabash.edu/admissions/finances/jobs>. The total amount anticipated to be withheld from their paycheck for the semester will show as a credit on the student's Statement of Account.

Students who do not return library materials by the due date are charged fees to their tuition accounts. In addition, students in certain laboratory courses are charged at the end of the semester or year for losses and breakage of laboratory apparatus.

Students registered in courses that travel during normal vacation periods may be charged an additional fee for room and board while off campus.

Students enrolling in any of the off-campus study programs will be charged a \$75 registration fee for each semester they are off campus.

Special students permitted to register for less than a normal full-time course of study are charged a \$50 registration fee, plus \$4,584 per course.

Late registration: For late registration without excuse, a fee of \$25 is charged. Students' records will not be released until all financial obligations to the College are satisfied.

Payment of Fees

The Wabash College Business Office mails a statement for the fall semester to each student by August 1 with payment due on or before August 20 and by December 15 for the spring semester with payment due on or before January 5. A late fee of 1% interest per month may be charged on accounts unpaid after the due date. Each semester's bill must be paid in full before the student will be allowed to register for classes.

For the convenience of those persons who prefer to pay the fees in monthly installments, the College recommends that families investigate the payment plans administered by Tuition Management Systems (TMS). Students pay TMS in monthly installments, and TMS in turn pays the College. Information is available on our website at <http://www.wabash.edu/businessoffice/plans> or call TMS at 800-356-8329.

Wabash also offers its own Guaranteed Tuition Payment Option which provides parents of students not seeking need-based financial assistance the opportunity to “lock in” the freshman first-semester tuition charge for eight consecutive semesters by paying in full (four times the annual amount) the four-year tuition bill. For more information please contact Cathy VanArsdall at 765-361-6421 or vanarsdc@wabash.edu.

In case of failure to register, advance payment of tuition, room and board, activities fee, and health center fee will be refunded. The admission deposit and room and board deposit are non-refundable.

Wabash College Withdrawal Policy

All students must begin the withdrawal process in the Dean of Students Office.

Assumptions

The Return of Federal Funds and Wabash Refund policies assume the following:

- A. A student, parent, or funding source will not receive a refund/return of funds greater than the amount the student, parent, or funding source has paid.

- B. A student or parent will not owe the College more when withdrawing than their original scheduled payment (gross College charges, minus financial aid for which the student qualified and completed the application process, including federally required verification), if the student had remained for the entire semester.

- C. Refunds/return of funds are first distributed to aid programs, then to the student or parent. Gross College charges include billed tuition, room, board, and normal fees. Additionally, the student is responsible for any outstanding fines or special fees.

Determining Official Date of Withdrawal

The Dean of Students will determine the date of official withdrawal according to federal and other appropriate regulations. The official withdrawal date is the date a student begins the official withdrawal process. This process must be completed and the withdrawal form must be returned to the Dean of Students Office within five business days. If a student cannot complete the official withdrawal process for reasons outside of his control (accident, hospitalization, etc.), the Dean of Students will determine the official date. The Dean of Students may choose to use an earlier or later last documented date of academic activity as the official date of withdrawal.

If a student withdraws during a semester without notifying the College, the Dean may use either the last documented date of academic activity (class attendance, exam, etc.), or the mid-point of the semester.

Return of Federal Funds Policy

Federal regulations require that the amount of “unearned” Federal Title IV funds be calculated on a pro-rata basis for students who withdraw in the first 60% of the semester. These “unearned” Federal Title IV funds must be returned to the appropriate program(s). When calculating the amount of Federal Title IV

aid, which is “unearned,” all calendar days beginning with the first day of classes through the last day of exams are counted. Any period of 5 days or longer in which no classes or exams are scheduled is excluded from this calculation. After 60% of the semester is completed, 100% of Federal Title IV aid is considered “earned” and, therefore, does not need to be returned.

Example: A student who receives Federal Title IV aid withdraws at the 30% point of the semester. Therefore, 70% of his Federal aid is “unearned” and must be returned to the appropriate program(s). Aid is first returned to federal loans, then federal grants, per federal policy.

The Return of Federal Funds Policy applies to any student who leaves the College during a semester for any reason, including disciplinary action.

Wabash College Refund Policy

The Wabash College Refund Policy applies to all students who withdraw during a semester for any reason. Students leaving Wabash for disciplinary reasons are not entitled to any refund of tuition and fees.

Refund of Tuition and Fees—Students who officially withdraw from Wabash College prior to 4:30 p.m. on the 10th class day of the semester will receive a refund of 75% of tuition and fees. A student receiving Federal Title IV Student Aid funds who leaves Wabash College after 4:30 p.m. on the 10th class day of the semester will receive a refund of not more than 75% and no less than 40% of tuition and fees (determined on a pro-rata basis). However, if the student leaves Wabash after 60% of the semester is complete, no refund will be made. All calendar days beginning on the first day of classes through the last day of exams are counted when calculating the pro-rata refund. Any period of 5 days or longer in which no classes or exams are scheduled is excluded from this calculation.

Refund of Dormitory Room Charges—Dormitory room charges are generally not refundable at any point in the semester. However, a student receiving Federal Title IV Student Aid funds who leaves Wabash before 60% of the semester is complete will receive a pro-rata refund calculated using the same formula that is used to calculate his refund on tuition and fees.

Refund of Wabash Board Charges—Board charges are refundable on a pro-rata basis throughout the semester when a student withdraws from school. Any period of 5 days or longer in which no classes or exams are scheduled is excluded from this calculation.

Return of Non-Title IV Funds—Wabash-funded aid that is “unearned” is returned to the appropriate Wabash College funds on the same pro-rata basis as federal funds. In most cases, 75% of Wabash-funded aid is the maximum amount returned when a student withdraws.

Financial aid funds from states or other external agencies are returned according to the requirements of the agency awarding the aid. If no requirements exist, all efforts will be made to reduce and/or eliminate Wabash College loans disbursed that semester before disbursing any refund back to the student or parent. Excess funds are first applied toward a student’s Wabash College Subsidized Student loan.

Additionally, no refund will be sent to the student's family until the College is certain no additional charges will be placed on the student's account. Fraternities, music and other academic departments, the library, etc. will have ten business days from the date of withdrawal notification to submit fines, delinquency fees, etc. to the Business Office to be charged to the student's account. After that time, any refund due to the family will be mailed and fraternities, music and other academic departments, the library, etc. will forfeit the right to submit those charges to the Business Office for collection.

A student not receiving Federal Title IV Student Aid funds who leaves Wabash after 4:30 p.m. on the 10th class day of the semester will not receive a refund of tuition and fees and will be required to return "unearned" Wabash-funded financial aid.

A student is limited in the number of semesters he may receive Wabash-funded aid. The semester during which a student withdraws is considered to be a semester of aid "used."

A sample of the work sheets for calculating refunds and return of federal funds is available in the Financial Aid Office upon request.

Four-Year Guarantee

Beginning with men entering Wabash College as first-time freshmen in the fall of 1999, Wabash guarantees graduation within four years of matriculation at the College. Wabash recognizes the significant financial stress on students and their families when students do not complete degree requirements in a timely manner. Therefore, subject to conditions noted below, Wabash assumes the cost of tuition in excess of eight semesters' continuous enrollment at the College. The student is responsible for room and board charges and other fees. Financial aid is available for students who qualify to help meet remaining costs.

The student is responsible for knowing graduation requirements and arranging his course schedule to complete them. To be eligible for the four-year guarantee, the student must enroll as a full-time student (including approved off-campus programs) for eight consecutive semesters, must complete 34 course credits with a cumulative grade point average of at least 2.0, and must persist in the major(s) first declared during his sophomore year. A student requesting tuition beyond eight semesters must have the support of his academic advisor.

The Ninth Semester Option for teacher certification is exempted from this guarantee and available to teaching candidates under the policy established by the Teacher Education Program.

CALENDAR 2008-2009

Fall Semester 2008

Freshman Saturday	Aug. 23
Student Census Days	Aug. 28-29
Classes Begin	Aug. 28
Final Date to Add First Half Semester Course	Sept. 3
Final Census Date	Sept. 3
Final Date to Add Full Semester Course	Sept. 5
Final Date to Drop First Half Semester Course or Declare Credit/No Credit Option (without record)	Sept. 11
Final Date to Drop Full Semester Course or Declare Credit/No Credit Option (without record)	Sept. 26
Final Date To Drop First Half Semester Course with "W"	Oct. 2
Midsemester	Oct. 15
Midsemester Break	Oct. 16-19
Classes Resume	Oct. 20
Second Half Semester Courses Begin	Oct. 20
Final Date to Add Second Half Semester Course	Oct. 24
Final Date to Drop Full Semester Course with "W"	Oct. 31
Final Date to Drop Second Half Semester Course or Declare Credit/No Credit Option (without record)	Oct. 31
Registration for Spring Semester	Nov. 13-20
Final Date to Drop Second Half Semester Course with "W"	Nov. 21
Thanksgiving Recess	Nov. 22-30
Classes Resume	Dec. 1
Classes End	Dec. 12
Final Exams	Dec. 15-20
Christmas Recess	Dec. 21-Jan. 11

Spring Semester 2009

Written Comprehensives for Seniors	Jan. 12-13
Student Census Days	Jan. 14-15
