## Wabash.

Founded in 1832, Wabash College is an independent liberal arts college for men that offers a transformational education through independent intellectual inquiry, critical thought, and clear expression. Hailing from differing economic, social, and cultural backgrounds, Wabash helps men engage these differences and live humanely with them, while encouraging its students to appreciate the changing nature of the global society and prepare for the responsibilities of leadership and service within. The College carries out its mission in a residential setting in Crawfordsville, Indiana, that turns out men of character who challenge one another to do great things. Wabash College regularly has been ranked among the top 25 college theater departments in the U.S. by The Princeton Review.
