

Admitted Student Weekend

Optional Pre-Event Activities

12 PM **Lunch in Fraternities**

1 PM **Welcome**

After the welcome, you will have 3 choices of sessions to attend- each will be 30 minutes and topics that we know are important to students as they determine what college is best for them. You do not need to pre-register for any sessions, and most are offered at different times if you have multiple interests. Some offices will also be represented at the Resources Fair in case you'd like to talk more with staff and faculty from particular offices.

You will receive a detailed list of offerings and a final schedule upon event check-in.
