**Early Decision** – An early decision application allows you to complete the entire admissions process early. This option means you have completed your college search and have decided to attend Wabash College if you are admitted. Your application receives priority consideration throughout the admission process including the award of any and all applicable merit-based scholarships. Please note – this process requires an early deposit. You should refer to the Early Decision Application for instructions regarding applying for need-based aid. Applicants under this deadline are encouraged to complete the College Scholarship Service’s PROFILE by November 15.

**Early Action** – Under this process, notification of your admission status will be mailed to you between December 19-26. In addition to the advantage of the early notification of your admission status, your application will have priority over applications received later in the admissions process. You also will be considered for all available merit-based scholarships. Applicants under this deadline are encouraged to complete the College Scholarship Service’s PROFILE by December 1 as well.

**Regular Application** – This process applies to any application received between December 2 and January 15. By using this option, you will receive normal admission consideration and will be considered for all available merit-based scholarships.

**Final Application** – This process applies to you if you submit your application to Wabash after January 15. Admission will be based on your qualifications and the availability of space in the class. You will receive normal consideration for all remaining merit-based scholarships if you are offered admission.

*A complete application includes Part 1, Part 2, and a High School Report and must be received by one of the application deadlines shown above.
