# Wabash Liberal Arts Immersion The Brotherhood: Get started early

**Wabash.**  
[www.wabash.edu/wlaip](http://www.wabash.edu/wlaip)

**70%**  
4 yr graduation rate of  
WLAIP participants.  
18% increase from prior to  
this program.

**100%**  
1st destination rate  
of WLAIP participants  
at 6 months  
post-graduation.

**83%**  
Fr-So retention  
rate of WLAIP  
participants.

# Tell me more!

What does it mean to study liberal arts? What kind of jobs can I get when I graduate? What is expected of me in my classes at Wabash?

The Wabash Liberal Arts Immersion Program (WLAIP) is the key to answering all these questions and helping in-coming first-year students get a head start on their college education.

The program begins with a one-month, on-campus experience where you will complete a course in College Writing or Public Speaking for credit. You and your peers will also connect with faculty, staff, upperclassmen, and alumni to become familiar with the Wabash network and its advantages.

During your first year, you and your fellow WLAIP peers will benefit from special opportunities for focused academic advising from Wabash faculty and networking with alumni and staff in our award-winning Career Services Center. WLAIP students who complete the summer and first-year program receive a paid internship in the summer following their freshmen year at Wabash.

## Why should I participate?

Earn a **free credit** toward your Wabash degree during the four-week Summer Institute.

Secure a **guaranteed paid summer internship** or immersion experience in 2024.

Meet upperclassmen who will become your **mentors**, tutors, and most importantly, **friends**.

Start **networking** with alumni and faculty early.

Gain valuable exposure to the many **resources and support systems** available to all students.

Bring a family member with you to campus; the WLAIP provides financial assistance for transportation costs to family members outside of Indiana.

Receive a **stipend** of \$2000 in August if you complete the summer program and enroll for your fall semester at Wabash.

**Be an expert on student success** at Wabash by the time your freshmen classmates arrive on campus for Ringing-in Saturday.

## Sign me up! What's next?

If you haven't already done so, send in your deposit to secure your place in the Wabash College Class of 2027.

To learn more about the program, visit [www.wabash.edu/wlaip](http://www.wabash.edu/wlaip) or contact Program Coordinator, Professor Bobby Horton at [hortonr@wabash.edu](mailto:hortonr@wabash.edu) or by phone at 765-361-6476.

Registration for this program will open on March 1st and will close on May 15. Times and move-in details will be mailed after that date.

Get ready to meet several of your Wabash brothers!

The WLAIP Summer Institute runs for four weeks in July 2023, with an opening and closing day to which families are invited.
