April 13, 2026

Dear Class of '98,

Springtime is here, which means that the school year is getting close to an end. It has been another successful year at Dear Old Wabash and I want to highlight two important items before summer hits.

### Get out and Vote....for the Board of Trustees and NAWM Board of Directors

I encourage you to take a few minutes to vote in the upcoming Board of Trustees vote and the NAWM Board of Directors vote. There are two open slots for the Board of Trustees, and three slots open for the NAWM Board of Directors.

The individuals on the Board of Directors play a critical role in shaping the direction, stewardship, and long-term success of our college, impacting everything from academic priorities to financial sustainability.

The Mission of the NAWM is to support the interests of Wabash College through encouragement and development of relationships which will help the College achieve its mission of "educating men to think critically, act responsibly, lead effectively, and live humanely."

If you're not familiar with the candidates, don't sit it out; reach out to classmates, fellow alumni, or trusted members of the Wabash community to gather perspectives. A well-informed vote ensures we continue to build a strong institution that reflects the values and aspirations of its alumni. I am happy to share my thoughts, and I know several others in our class who have had interactions with these individuals over the years and are willing to provide some insight. The most important part is to take 5 minutes and vote.

The Deadline is April 28, 2026. <https://www.wabash.edu/alumni/vote/>

### Day of Giving

The Annual Day of Giving at Wabash College is on 4.29.26 this year. If you are on social media, you can't miss it! It is a great day to see the momentum of giving to Wabash that ultimately impacts students' lives and strengthens the College's mission. If you are not on social media, you can check it out here. Any amount helps and serves to support Wabash greatly. <https://www.wabash.edu/banner/>
