Dear 41ers:

What happened to June and July? There just wasn’t any new news to report.

Finally got the results of our participation in the Annual Fund. Not as good as some past years, but at least respectable – 51.2%. The final list includes the following: Glenn Adams, Joan Beaning, Rosemary Brooks, Mrs. Don Burhans, Bill Dearborn, Paul Emmert, Charles Hagerman, John Heiland, Wendell Hiester, Wilbur Huber, Ted Kennedy, Tom McConnell, Dick Ristine, Lou Ristine, Bill Sabo, Don Sheeler, Emory Simmons, Perrie Somers, Miles Sullivan, Bill Trippet, and Jean Walhay.

Had a letter from Dick Ristine. He and Lou attended the Commencement in May. Says the campus looked beautiful and the College is in great shape in every way.

Dick also volunteered to help organize the big 65 Bash in early June (2-4) next year. Now all of you need to get yourself physically able to attend and contribute to the Annual Fund.

Let me hear from you – your input is of interest to the rest of the class.

Yours truly,

Tom
