June 2026

Dear Fellow '63 Classmates,

It's time to catch up on some news about our favorite College. At the top of the list is on May 16th 217 young men joined the ranks of Wabash College alums. They are the 188th class to achieve that honor. If our math is correct that means we were the 125th class. Time really does fly.

As is usual the College will be quite busy over the coming summer. Two large construction projects are at the top of the list. The groundbreaking for the new Community Center was January 25, 2025 and from the photo below you can see that progress is underway. For

perspective a photo of the completed project is included. The new building is a replacement for what we knew as Sparks and its role is quite expanded from that of the old building. You can follow the progress and learn more here: wabash.edu/communitycenter.

The second large project underway on Campus is the replacement of the floor in

Knowing Fieldhouse. We thought a photo of a floor might not be too exciting so we passed on that.

W.

The Day of Giving on April 29th was a resounding success (again!). Over \$2,100,000 of 9,444 gifts from 3,848 alums, families, friends, faculty, staff and students was raised. This is the first time that the Day of Giving has raised over \$2,000,000 and the ninth consecutive year that \$1,000,000 has been exceeded. For your info 41 classmates and friends of the Class of '63 have made gifts this year which is a 39.8% rate. Those colleges that accomplish a 40% rate are rare. As we approach the end of the fiscal year, June 30, how about we all make a gift with the notion of moving above that 40% mark (and maybe even think about 50%?). Any amount counts and it's nice to be in rare company. You can make your outright gift to Wabash online at wabash.edu/give, over the phone at (877) 743-4545, or through the mail to Wabash College / Annual Fund / 301 W. Wabash Ave / Crawfordsville, Indiana 47933. Please make your check payable to *Wabash College*.

On a somber note in recent months we lost another of our class mates with the passing of Dave Wilson. If you are aware of recent passings please let one of the undersigned know and we will include in our next communication.

The best of summers to all and let one of us know of anything that would be newsworthy to fellow classmates.

Go Little Giants!
