Fellow Classmates ...

It is a sad day when I must report that I no longer feel properly equipped to serve as your class agent. It is not a matter of health or senility. The motivation is just not there. Every time I think about writing a class letter, my mind takes me elsewhere. I thought I could simply jump back into the fray, but is not as simple as that. I could not do it.

I loved being your class agent, and I loved representing you on the Board of Directors of the National Association of Wabash Men. But most of all I love being a member of *The Class of Wabash* (*i.e.* 1965), as well as being a Wabash man, through and through.

Hopefully another member of our class will pick up the fallen mantle and represent us to the College and *vice versa*.

OOO-WAA-WAA,

Morrie

P.S. Please remember to regularly give back to the College which gave us so much.
