Dear Friends in the Class of 1968,

Great to be alive these days. Life is good in Colorado Springs. When I complain to my doctor, he reminds me of my dear friends and veteran friends who did not get a chance to grow old. Fair enough. We look at Wabash sports this time. Hope you are all getting those health screens. There's a pill for everything these days. Take good care and read on ...

Our first night in Montreal we thoroughly enjoyed a hockey game between the Montreal Canadiens and Dallas Stars. I didn't realize the Canadiens were the very first team in the NHL. The Centre Bell arena is very similar in size and setup to Chicago's United Center and their intro highlights their original team status. We had a blast!

Wabash College was notified earlier this week of the passing of classmate Stanley Strickler in July 2021. His obituary follows:

Jason Lost Annie

Jason Reed from Chalmers, Indiana, a Beta at Wabash. has been a Methodist Minister since Wabash. After eighteen miraculous years of survival with stage four cancer, Jason Reed's bride, Ann, died on August 1. Also, Jason said, "To honor Ann's heart and values in this season, I offer a verse from O Come, O Come, Emmanuel:

**O come, Desire of nations bind
All peoples in one heart and mind.
From dust thou brought us froth to life;
Deliver us from earthly strife.**

Bell Game and Memories

Roper sez: I watched what I could of the Bell Game on TV in Denver with **Dr. John Hudson**, my Wabash roomie at the Beta House. John is looking and feeling good these days because of regular trips to the gym. Like me, he does “Core” workouts. Some of those tiny muscles along your spine seem to atrophy if you don’t bend and stretch them. Back to the game--could somebody please tell me what the linebackers are doing? (I played linebacker.) The Wabash QB is strong, the line is young but big, Maybe the game has changed Did anyone else catch the Division III Championship game and the semi-finals on TV? North Central went about business as usual, and beat a strong Mount Union team—much like they did to Wabash earlier this fall. I watched that one in person. North Central showed strong at every position. IMHO.

From Harry Staley

Hello Jim. Thanks for the email. I always enjoy the class letter with updates and pictures of classmates. Here's my news: Lisa and I just celebrated our 40th wedding anniversary in Nov. We live now in Holland, MI after stints in Champaign, IL and Indianapolis. We have lately spent Jan-Mar on Seabrook Island, SC. I retired from a practice of Rheumatology Dec 31, 2021. The last 6 years of practice were with Holland Hospital. We spend our time now between seeing a daughter in Plymouth, IN and a daughter and only grandchild in Lander, WY. We travel frequently with friends and have become very close friends with **Alan and Connie Hatfield**. There is always an adventure when Alan and I share a project. I will include a few photos. Enjoyed Home Coming this year. The College seems to be on a great track for the future. Thank you for keeping the great class of 1968 together. **Harry**

Happy Lunar New Year!!! Enjoying dim sum with Adam and Yan at MingHin Cuisine in Arlington Heights, IL. Wishing my many friends in Japan, China, and Hong Kong a prosperous, healthy, and lucky new year!

I'm calling this a wrap. Big Breaking News is the Big Bash this year honors classes that end in 3 or 8, so **we are up for our 55th**. Please circle 2-4 June on your calendar, and make plans to gather at Wabash. Jim Millikin and I are planning to go and we'd like to encourage all of our classmates to attend...just for the fun of it!! You can see the schedule, who's coming, and register at wabash.edu/bigbash. Take good care.
