12 April 2023

Gentlemen of the Class of 69,

After cold weather in March and early April, spring is finally beginning to show its colors and warmth with the redbud and magnolia trees now in bloom and the tulip trees coming to life. Spring is beautiful in Indiana! And so it goes at Wabash with the spring semester coming to an end in a couple weeks and finals beginning on 1 May. Time goes too quickly when you are having fun!

The purpose of my short letter is to give you a heads up on a couple events. The Wabash Day of Giving is scheduled for Wednesday, 19 April. As in the past this is a major event for Wabash and everyone joins in to make it a great day. We hope you will take a moment on the Day of Giving (DOG) to keep Wabash on your mind. Any gift large or small to Wabash means a lot to the students working hard for an outstanding education. An education at Wabash is more than challenging. The link for the big DOG when it is ready to rock and roll is <https://www.wabash.edu/always>. The link goes live 10:00 pm Tuesday evening. The 19 April DOG will be a fun day! You can give to the Annual Fund, our Dean Moore Affinity Challenge, or any of the many Wabash funds and affinity challenges on the DOG link.

The second event is Big Bash on 2 to 4 June. Class of '73 is having their 50th reunion. It will be a great weekend for them. Members of all classes are invited to Big Bash. It will be a fun weekend for everyone. Of course we have our 55th reunion next year in June 2024, and we will work hard to get as many classmates back on campus for what will be a great time. More to come!

If you think you might make it to Big Bash 2 June, there are a block of hotels rooms reserved for Big Bash. All of the lodging info can be found at <https://www.wabash.edu/alumni/reunion/lodging>. You can find the link to register for Big Bash at www.wabash.edu/alumni/reunion/schedule.

Graduation for the Class of '23 at the 185th Commencement is on Saturday 13 May.

Much has happened at Wabash this spring. Events and details can be found at www.wabash.edu/news

With best Wabash wishes to all from Bloomington!! **Go Wabash!!!**

WAF!!!
