Dear Classmate,

I hope all of you are enjoying yourselves and prospering during this new year.

Once again, Wabash will be holding its annual Day of Giving in mid-April, and the theme is Always Wabash. Like previous years, our goal is not monetary *per se*, but participatory. Last year, we raised \$1,744 per student. This year, a group of leaders is putting up \$510,000 when we reach 5,010 gifts. This is something that I believe all of us should embrace, as it deals less with our individual financial abilities and more about our commitment as Wabash Men to support the College and its mission to deliver the highest quality in educational opportunities to young men.

Tina and I will be participating. I trust that you will as well. I will be sending further communications as the Day approaches.

In the meantime, I still enjoy being the clearinghouse for information on our class. I want to hear from you: let me know what is going on in your lives, whether it is new pastimes that you are enjoying as many of us enter retirement, new grandchildren, or new adventures. You can reach me at [wabashagent80@gmail.com](mailto:wabashagent80@gmail.com).

I look forward to hearing from you and encourage your participation in the Day of Giving.

Sincerely,

Ken Williams
