April 2023

Greetings Class of 84!

I hope you all are doing well and getting ready for Springtime activities like working in the yard, cleaning out the garage, and maybe even enjoying a little Spring Break vacation. It's been far too long since you have heard from us, but we are once again focusing our efforts to get regular communications out to our class.

10th Annual Day of Giving Coming Up

Wabash Leaders are planning for the 10th Annual Day of Giving coming up soon. Hopefully, you have seen the messaging in past years and have participated in this event. The theme this year is #AlwaysWabash, so be on the lookout for more details on how you can show the world you've always been for Wabash and help Wabash make history as we continue to show that we have the best alumni network and involvement of any school in any Division!

40th Reunion – How Can That Be?!?

Holy Cow! Our 40th Reunion is coming up in just 15 months. It doesn't seem like it was that long ago that we were all still on campus preparing for Comps and thinking about where we would go after Wabash ... and now here we are nearly 40 years later with many of us thinking about retiring or have already. Our 40th reunion will be in June 2024 as part of the annual Big Bash celebration on campus, so start planning for it now.

Speaking of Big Bash, Registration is always open to all classes, not just those that are celebrating anniversary years. Big Bash 2023 is happening from June 2 – June 4. Check out all of the activities [here](#).

Help Us Help You Reconnect with Old Friends

The Wabash alumni directory is missing about 25% of the contact information for our classmates, so some of us will not receive this letter or other news from the college. We have been making a push to try to get word to these individuals and encourage them to log into the Alumni page on the Wabash website and make sure their contact information is up to date. You can help by reaching out to the guys you keep in touch with and ask them if they are keeping their information up to date on the Alumni Website.

Check out the [Alumni Directory here](#) and see if you can help us reconnect with someone from your living unit, sports team, major, or just an old friend.

Class of '84 News

Mike Kaster had to undergo a double lung transplant in the Fall of 2021. He has recovered well and completed a 5K run in April of 2022. Way to go Mike!

I am sorry to report that **Merlin Nice** passed away on January 12, 2023. Merlin was some Little Giant and his heart was bigger than his 6' 5" frame. You can read his obituary [here](#).

As always, we'd like to know how you're doing and what's new with you. More importantly, your classmates would love an update. Please drop us a note to let us know what is going on in your life and we'll get it in the next letter.
