Wabash Men from the Class of 2008 –

It is with great pleasure that the Alumni and Affinity Group Engagement Office announces Ryan Leagre as the Class Agent for the class of 2008 effective immediately. Ryan contacted the alumni office a couple weeks ago and volunteered himself to fill the vacancy and serve as your class agent. We appreciate him stepping up to serve your class and the College and look forward to working with him to help members of the class meaningfully connect with each other and the College.

As we welcome Ryan to the ranks, I would be remiss if I didn't express appreciation for the service of your classmates in the role previously, Andy Deig, Jesse James, and Kyle McClammer.

Ryan will be writing to you separately in the next couple weeks and will provide more of an introduction to those of you that don't know him. Look for that communication soon.

Wabash Always Fights!
