Dear Classmates and Friends,

April 10 will be a special day for the College. Stay tuned!

The 9th of February will be remembered as a very special day, too. On that afternoon in Chadwick gym, Sophomore basketball star Jack Davidson, set the ALL-NCAA (all divisions) record by making his 95th consecutive free throw. At the start of the game, he had made 92, shot numbers 93 and 94. The gym was deadly quiet when he stepped to the line for #95. When the ball went through the hoop, a great shout rang out and a prolonged standing ovation ensued. He missed number 96!

The basketball team had an excellent year--21-6. Going into the second half of the season, the guys had lost only one game, but they ran into some problematic teams, Wittenberg, Wooster and DePauw, whom they had beaten rather easily before. Next season ought to be a dandy with all starters back.

"Why isn't Bernard Warning listed with our class?", Wyatt persistently had asked me. Who? I had no idea who he was and why he wasn't counted among us. Well, the researchers at the College found him. I vaguely remember a basketball player who broke both wrists running wind spirits in the gym. That was Warning. He was with us both semesters our Freshman year. He died in 1967 from injuries suffered in an automobile accident.

Big Bash weekend is May 31--June 2. Perhaps you will join us at the banquet on the 31st?

Yours in Old Wabash,

Gordon
