Wabash reunion (Room Block W66).

There you have it! A grand line up to celebrate our 60<sup>th</sup>  
Many Miler reunion.

Many of you may have reluctance to come to this arena, I  
understand. Here is a comment from Norm Beesley:

“We have reservations for the reunion, but now we are  
beginning to get cold feet! Our hospitals (Pittsburgh) now  
have 20% of Covid patients that are fully vaxed! And we  
aren’t in the heart of Trump Country like you folks!”

Well, Norm, Indiana ain't doin' so well these days, either. Wabash has strict protocols regarding masks for indoor gatherings. There has, as yet, not been an outbreak of Covid at the College. I understand that we really old folks must be vigilant. I hope you will choose to join us, assuming most all Many Milers are vaccinated, but will certainly understand if that is reason not to join us in Crawfordsville!

Please call Pam Rager in the Alumni Office 765-361-6360 or me (615-351-0900) if you have any questions. I figure this may be our last chance to get together and hope you will come!
