June 2022

Fellow Classmates,

It's that time when we are reminded that it's the end of the fiscal year for Wabash. Over the years we have been made aware of the advances in technology and creativity involved in collecting the information necessary to produce class letters, and that data is made available to the Society of Class Agents to pass on to our classmates. My thanks go to Steve Hoffman, head of the Alumni and Parent Relations Office, and his team of Pam Rager and Mike Warren, for keeping class agents up-to-date about current campus activities, to enable us to keep you informed. This year the goal for the June campaign is to reach a giving level of 40% of alumni, which incidentally is about the percentage the Class of 1964 has been reaching annually for a while now. To accomplish this we need less than 400 more contributors by June 30th. You will be receiving notices of the campaign, if indeed you haven't already. For your convenience I am listing the various means by which we can part with our dollars to reach the appointed goal:

Online: www.wabash.edu/give
Phone: 877.743.4545

Snail Mail: Check payable to Wabash College
Wabash College Advancement
301 W. Wabash Ave.
Crawfordsville, IN 47933

Connie and I look forward to seeing some of you at events on campus this fall. Among these are the renewal of the Hampden-Sydney football game on September 3rd and Homecoming on September 23rd and 24th.

Yours in 'Bash

Ron
