Wabash Men of 1974:

Kudos to all of the alumni, spouses, faculty, families, and friends of the Class of 1974 listed below who have made a contribution to the 2021 – 2022 Annual Fund. A special thank you to all who supported our ninth annual Day of Giving on 4/19.

The record setting ninth Day of Giving generated 5,307 gifts totaling over \$1.4 million. This equated to \$1,744 per student and approximately \$100 more per student than last year's record amount. Remember you have until the college's June 30, 2022 fiscal year end to make a gift to this year's Annual Fund. Currently, we're just five classmates shy of reaching the same number who gave last year. You can make a gift online at wabash.edu/give.

We also want to pass along a few updates from your classmates. Some of which are overdue.

Mike Eckerle retired after 45 years of practicing law. Congratulations Mike!

John Zinn still resides in Wisconsin. John worked for the Natural Resources Conservation Service for the last part of his career (17 years) and retired in December, 2021. He is going to stay on part time in the summer to train new employees. John still farms although he got out of the dairy business about 20 years ago and now raises beef cattle.

Phil Nysewander now has 8 grandkids ranging from 22-16 months. Next year he and Joyce will be married 50 years and figuring out 50 things to do during that year.
