Late June 2019

Dear Class of 1977,

A bit of Wabash and Class news and the annual end of the Wabash fiscal year appeal from your Class Agents to make a gift to Wabash.

#### First, the ask:

Wabash is very close to reaching a significant and ambitious goal of having 45% of their alumni make a gift to the institution this fiscal year. Remember the amount of your gift is not critical in hitting this goal, but making a gift of any amount is critical. Making a gift online is as easy as clicking [here](#) or calling toll free 1-877-743-4545.

If you are not sure whether or not, you have already made a gift to Wabash this fiscal year you can check the list of honor roll of donors for our class below. Thank you to everyone who has already donated and thank you in advance to those making their gift before June 30.

### **Wabash and Class News:**

Next time you visit campus you will notice a new look at the corner of Wabash and Grant streets. Wabash has taken ownership of and cleared each of the three lots. The stoplight is gone and it is now a four-way stop. Finally, the College is in the process of creating a new pedestrian entrance to campus. You can read more about the Wabash Gateway Project and see the artist's rendering of what the entrance will look like this fall [here](#).

The Giant Steps Campaign continues to gain momentum as the College just announced a gift from Trustee Tom Walsh '73 and his wife, Anne to fully endow a professorship for a new interdisciplinary major-- Philosophy, Politics, and Economics.

The wet and cold weather for Wabash Commencement did not dampen the spirits for all of us in attendance to witness the Class of 2019 to receive their diplomas and our very own classmate Coach Rob Johnson receive his honorary doctorate from Wabash. Over 40 alumni gathered with Rob at different times over the weekend to celebrate with and honor Rob. Classmates who were able to be on campus that weekend were your three class agents along with Ted Ferguson, Jerry Shonkwiler, and Brent Waymire. Rob Johnson, Some Little Giant!

We are just three years away from our 45<sup>th</sup> reunion in 2022 and rapidly approaching our 50<sup>th</sup> reunion in 2027! Of course Herm, John, and I hope to see many of you back on campus before then.

Yours for Wabash,

Greg
