We ended the year with 66 classmates making a gift, for a 34.9% giving rate. Our highest number in the past few years was 78 classmates to break 40% but we have been stuck in the mid-30's for a long time. We have had a bigger number of people give to Wabash over the years, but we have never been able to put it all together for a year after year success story.

This will be my last letter as a class agent. Peter is staying on and will need some help. I am hoping someone with new ideas can help to reinvigorate our class communication and philanthropical efforts for our dear Wabash. If you are interested in helping, please contact Peter at the email address given above or contact Wabash College.

It has been a privilege to serve you these past 38 years.

Sincerely,

Stephen
