June 2017

I hope your summer is off to a good start. Those of you who are fathers, I hope you had a nice Father's day this past weekend.

I thought you might find this article

https://www.wabash.edu/news/displaystory.cfm?news_ID=10961 of interest. Wabash is ranked #1 in alumni network and #38 in the country for "Top 50 Colleges that Pay You Back." It's always good to see that our beloved Wabash continues to rank among the best in the country.

I hate to sound like a broken record, but in order to continue our position among the competition, it requires monetary support from our alumni. The fiscal year ends June 30th, and as a class, we are 11 donors below our goal. If you haven't donated yet for the fiscal year, please consider giving some amount in the next week. If you don't know whether or not you have donated this past year, let me know, I have the reports that will show me if you have. I can be reached at nbroadwater7@gmail.com

Thank you to those who have already donated and to those that will in the next few days.

Best wishes for good health and a nice summer to all of you. Football season is right around the corner. I am certain we will bounce back from our Monon Bell loss this past November and put the Dannies back in their rightful place...which is one without the Bell.

WAF,

Ned Broadwater
