Dear 84'ers ~

I am hoping this finds you and your families, partners and friends keeping well. I know it has been more than awhile since I've reached out, in fact, I guess Wally, Bill and I have been inconsistent in keeping our letters and updates coming to you over the years and for that we apologize. Not to come off excusatory but sometimes life, family and work get in the way of all - things WABASH.

Clearly, the three of us remain loyal sons to her honored name and look forward to celebrating our 35th Reunion. Man, where did the time go. REALLY!

PLEASE join us if you can for our BIG BASH weekend in Crawfordsville, May 31st - June 2nd. I know your schedule is busy and life is hectic but consider coming back to Wabash. Registration's for our class is picking up for the event so please go to wabash.edu/bigbash and check out the schedule. It offers a little bit of everything for everybody.

Should you not be able to reunion with us then we ask for some of your treasure. Our class is 70% towards our goal of 85 BIG Bash Donors and we need 5 more to tie last year's total number of donors. Help us out. If you give by May 22nd, it counts towards us achieving an OPEN BAR for our Class of '84 dinner on Saturday night.

*Hoping our paths cross again soon.
Jim "Killer: Kilbane '84*
