

June 1-3, 2018 ... our 25th Reunion!

A message from our Reunion Co-Chairs

Greg Jania and Steve Woods

Hello Little Giants Class of '93,

Our **25th Reunion** is less than a month away – **June 1-3, 2018** in Crawfordsville. The College has a number of activities planned including, golf, Citizen Wally a symposium for the liberal arts, and lots of opportunities for catching up with each other. The Class of '93 will be especially represented on Saturday afternoon when Steve shares his insider's view of his first year as an NFL referee. We would love to see you for the whole weekend or whatever part of it you might be able to attend, perhaps Saturday when you can support Steve! A 25th reunion is a busy time in life for many of us, but it only happens once, so we hope you will make a special effort to attend. There will be many good stories to share. The reunion is also a great time to bring or introduce your spouse and children to Wabash.

The Big Bash registration deadline is **May 23**. You can see the entire schedule of events as well as who is registered to attend at: www.wabash.edu/bigbash. If you have any questions, please let us know!
