March 21, 2014

Hi guys,

We hope this reaches you well, and everyone has survived the winter. We just wanted to provide some class updates as we get into the New Year.

The Big Bash is coming up – June 6-8, 2014. By now, someone from our class should have reached out to you by phone to provide you with details. If they have not, you should be expecting a call in the immediate future.

You can register on-line (<https://www.wabash.edu/alumni/reunion/signup>), and also should have received a full packet in the mail. We have special registration packages: 4 meals for \$50 or 4 meals and 2 nights in either Morris or Wolcott Hall for \$75. Just a reminder that **May 28 is the last day to register.**

If you have never been around campus during Big Bash, it is a great weekend to revisit classmates and the college and is an absolute blast. The classes of 2007 and 2008 both had great turnouts for young classes, so we definitely want to step up and continue the trend.

If you cannot make it, we ask that you consider making a gift to the College to help us reach our Big Bash Goals of 68 donors. Every gift, no matter the size, helps the College grow stronger and provide an ever-better education for the young men who followed us. You will also be helping your brothers get an open bar at our class dinner at the Big Bash, so it is for a worthy class cause as well.

Below is a list of just a few of the accomplishments and important announcements from the current academic year:

- Monon Bell Champions for the 5th year in a row!
- Wrestling team attended the nationals where Riley Lefever '17 finished a perfect season with a national championship
- Immersion trips to Cuba, Israel, Washington, DC, and Paris

- Cross country won the Great Lakes Regional XC Title earning them their fourth straight trip to the national meet
- Indoor Track and Field team won their fourth consecutive NCAC meet while setting a new points record – they also went to nationals
- Dr. Scott Feller will assume the position of Dean of the College in July 1, 2014
- Dr. Gary Phillips, who has served as Dean of the College for eight years, will take a well-deserved sabbatical and then return to teaching in the Religion Department in 2015.

In Wabash,
