BIG BASH RECAP

The class of 2019 is starting their first week of classes, and that means it has been 5 years since we have graduated. Thank you to all those who helped organize, plan and execute the Big Bash reunion committee. Marcus Manges lead the efforts that ended with 20 of our classmates returning and placing 3rd in the annual Chapel Sing competition. Another big shout out to all of those who have donated and helped raise awareness for the class gift campaign. Whether it is through planned giving days such as 4.22 stand TALL, or alumni license plates or even planned yearly giving to save on tax dollars the college thanks you all for your donations! As a class we are just under 30% in our giving rate! I am sure this year we will do even better! Thank you all again!

I would like to personally thank the following for attending the reunion: Kevin Andres, John Dewart, Spencer Elliot, John Grashoff, Patrick Griffith, John Henry, Brandon Hirsch, Matt Hudson, Brad Jones, Daniel King, Kevin Long, Marcus Manges, Nicholas Maraman, Patrick McAlister, Jonathan O'Donnell, Colin Ridenour, Austin Rovenstine, Mark Thomas, and Clay Zook. Gentlemen it was a pleasure catching up with you. Between playing Frisbee on the lawn while enjoying some TWR, or sitting on the chapel steps fun was had by all. It meant a lot to me personally to see everyone and catch up with you!
