

CLASS OF 2015 NEWSLETTER

VOLUME 1

WHAT'S NEW?

- **Big Bash:** June 4-6, 2021. The Alumni Office is working toward an in-person weekend (where we can check out the brand-new Little Giant Stadium), but they're planning for virtual or hybrid contingencies. There's the prospect that younger reunion classes like ours will have accommodations on campus. More information to come.
- **COVID -19 UPDATE:** Teaching and learning continue as students, faculty, staff, and administration have worked together to keep Wabash largely residential this semester. Traditions like Ringing In, Chapel Sing, Chapel Talks, and Homecoming Floats have taken place in modified formats. To keep up-to-date on COVID-19, please check out wabash.edu/covid/documents
- Wabash College will join with members of the North Coast Athletic Conference in suspending athletics practices and related activities from Wednesday, November 25, 2020 through January 1, 2021. Director of Athletics and Campus Wellness [Matt Tanney](#) and his staff will begin to create plans for how to reinstate structured, sport-specific workouts, practices, and related activities in January.
- Admissions could use help as they work to recruit the Class of 2025. Contact Matt Bowers (bowersm@wabash.edu) or refer a prospective Wabash Man at wabash.edu/register/refer

SAVE THE DATE
