Call when ready                      Send Campus Mail                      Other \_\_\_\_\_

Comments:

NOTE: Federal regulations require us to treat prizes and awards as financial aid. The award is added to the student's financial aid package. If his tuition balance due is zero, a check will be issued for the amount of the prize. If the student has a balance due, he receives the benefit of the prize as a reduction in the amount he owes the College.
