

Wabash Day--Wabash Alumni Benefiting And Serving Humanity

Volunteers Nationwide, October 11-12, 2008

The following list contains the names of alumni, spouses, children, parents, and friends who worked at 37 Wabash Day projects in 32 cities, 14 states, and the District of Columbia on October 11 and 12, 2008. Alumni are designated by class year. Children are designated by age, if known. The list includes 414 people, of whom 238 are alumni. Both totals are Wabash Day records, and the census is not complete as of October 17, 2008. The list also does not include alumni volunteers, listed separately at the end, who were not able to work on Wabash Day. The NAWM thanks all of the volunteers who demonstrated Wabash core values to make our communities more humane.
