

Wabash Always Fights... The Flu!

It's a Competition.

The living unit with the highest percentage of members receiving flu shots will win a Wings Night!

We'll also be giving away Wabash swag randomly throughout the events. There are three opportunities for everyone to get a flu shot on campus!

Wednesday, October 2

7:30 am - 1:00 pm in Lilly Library Scholars' Lounge

Monday, October 14

2:00 pm - 6:00 pm in Lilly Library Scholars' Lounge

Thursday, November 7

*11:00 am - 2:00 pm in Knowling Fieldhouse
(In conjunction with the Wabash Wellness Week Health Fair)*

Getting a flu shot can protect you from influenza, a potentially-serious illness that can cause you to miss a week or more of classes or even require you going home to recover. Getting immunized against the flu is an important part of keeping our entire community healthy.

Franciscan Immunizations will bill any kind of health insurance, including Medicare, Medicaid, and private health insurance. Uninsured students will be covered by the Mothers' Fund!

Other non-insured patients will be charged \$15.
All members of the community are welcome, 6 months and up!

WAF x FLU!
