#### **OLAB Recommendation Form — I**

## To the Applicant:

Two recommendation letters are required per applicant and should be completed by a teacher, guidance counselor, principal, employer, member of the clergy, or community leader. Recommendation letters can be included in the application packet or the recommender may email them directly to olab@wabash.edu.

#### To the Recommender:

OLAB is a highly interactive, challenging summer program sponsored by Central Indiana businesses, philanthropic organizations, past participants, and Wabash College for students entering their senior year of high school. Students learn the basics of business while spending a week on the campus of Wabash College. The program requires motivated, well-rounded students with proven leadership abilities and highly developed interpersonal skills. The exciting, fast-paced program is not limited to students who plan to pursue a career in business (creative students do really well). Based on your association with the applicant, please describe the specific characteristics, skills, and interests you feel the applicant has that would be an asset to the OLAB program.
