### **Appointments:**

Please call or email Nurse Lamb to schedule a time to be seen in the Student Health Center. This allows us to schedule an appropriate amount of time to see you or to perhaps give you advice over the phone. Walk ins will also be seen as time permits. You may also email the nurse.

### **Insurance:**

All students are seen free of charge regardless of insurance status. If you require lab testing, X-rays, or referral to a specialist, eye doctor or dentist, you may incur additional charges. The college nurse is available to answer your insurance questions.

### **After hours care:**

After-hours care can be expensive, so try to be seen for free at the Student Health Center if at all possible. Note that if you receive care outside the Student Health Center, you may

be responsible for payment if your personal insurance does not cover the care or the bill exceeds what is covered by the Wabash reimbursement plan. For non-emergent medical problems after 2:00 p.m. Monday through Friday that can't wait until normal Student Health Center business hours, students may call the private office of Drs. Douglas and Roberts until 5:00 p.m. at 765.362.5789. For problems that occur in the evenings or on the weekend that can't wait until the next day the Student Health Center is open, students may be seen at the St. Vincent Ambulatory Care Center at 1684 Bush Lane that is on U.S. 231 on the south side of Crawfordsville behind O'Reilly Auto Parts. Their hours are Mon-Fri 8:00 a.m. to 8:00 p.m. and Sat/Sun 8:00 a.m. to 5:00 p.m. Outside of these hours, non-emergencies can also be seen at Franciscan Alliance - Crawfordsville emergency department.

**Emergencies:**

If you have a life-threatening emergency, you should go to the Franciscan Alliance - Crawfordsville Hospital emergency department at 1710 Lafayette Rd (one mile north of Crawfordsville on U.S. 231).
